

REMARKS

The Office action mailed April 6, 2006, allowed claims 1-9, 22-24, and 26-39, indicated that claims 16 and 21 contained allowable subject matter, and rejected claims 10-15, 17-21, and 25. This reply rewrites claims 16 and 21 in independent form to include the features of each claim's parent claims, amends claim 25 according to the examiner's suggestion, and cancels claims 10-15 and 17-20.

In view of the above amendment, the applicant believes the pending application is in condition for allowance. If there are any formal matters remaining after this reply, the applicant respectfully requests the examiner to telephone the undersigned. If there are any additional fees associated with the filing of this reply, please charge them to deposit account no. 04-1073.
